Language

**Master In Arabic Literature and
Literary Criticism**

جامعة المدينة العالمية

Al-Madinah International University

Master In Arabic Literature and Literary Criticism

Vision

- Towards a high level Islamic academia that results in advancing the linguistic, literary, and critical skills and capabilities and its establishment in students.

Mission

- To advance linguistic and critical skills and enrich the culture of students.
- To develop and advance the literary taste of students.
- To qualify students with linguistic and critical skills to engage in advanced critical studies of literature and conduct research in the area, in addition to being able to distinguish between different literary texts.

Objective

- To prepare students to become specialized researchers in the field of literary criticism.
- To cultivate the literary and critical skills within students.
- To advance literary research in the area of the Arabic language and related sciences.

learning out come

- To qualify students to progress to an advanced level of learning in Arabic language and literature.
- To authenticate the specialized scientific methods for the study of literary criticism and its developments.
- To engage in the propagation of Islam via literary and critical works of all kinds.

Learning mood

- Online
- On campus

Entry Requirement

- A relevant Bachelor degree (Honours) with good grades from MEDIU, or any other institutions of higher learning recognised by the university;
OR
- Any other certificate that is recognised as equivalent to a Bachelor degree (Honours) or other relevant professional qualification and experience that are recognised by the University.
- A relevant General Bachelor degree (without honours) with at least one year working experience, and If deemed necessary, an applicant may be interviewed and/or required to sit for an entrance test in order to determine his eligibility for admission to a specific programme.
- The department of faculty may, with the approval of the University Academic Council (UAC), require the applicant to satisfy additional requirements. Alternatively, the applicant will have acquired any degree recognized by the University as equivalent to one of the previously mentioned qualifications.
