

Name of Paper: Introduction to Hadith Terminology	
Code: IUHD1153	
The Objective of the Paper: - To acquaint the student with an introduction and history to the science of hadith terminology and the books written on this topic. - To teach the student the types of hadith: mutawatir, aahad, maqbool and mardood. - To acquaint the student with marfoo, mawqoof, maqtoo from hadith as well as other related topics.	
Learning Outcome: After the completion of this subject, the student will be able to: - Categorize hadith into different types and divisions. - Compare between mutawatir and aahad. - Provide examples of Prophetic hadiths for each of the types of hadith.	
A Synopsis of the Paper: To study the beginning of this science, its development, well known texts, and its two types of divisions. To know the lives of the narrators, manners of narrating, conditions of bearing this knowledge, its methods, modes of delivery, as well as some peripheral issues.
